Guarding the Nation's Infrastructure

Instructions For Subscribing To The Listserv

Last Updated: 01-Sep-2007

Albany InfraGard maintains the following two mailing lists:

1. Announcements listserv
Used to communicate announcements, such as upcoming meetings, to InfraGard members and non-members who are subscribed to the list.
2. Discussion listserv
Used for members to engage in e-mail discussions.

To subscribe to either or both lists, send a plain text message as follows.

To: listproc@lists.rpi.edu

For the Announcements list, put the following text in the body of the message.

subscribe albanyinfragard-I *Firstname Lastname*

For the Discussion list, put the following text in the body of the message.

subscribe albanyinfragard-discuss-I *Firstname Lastname*

Where:

Firstname = your first name

Lastname = your last name

Note: If you want to subscribe to both lists, you can put both subscribe requests in the same message - just put the second subscribe request on a new line.

If you have any problems subscribing, please contact us at Info@InfraGardAlbany.org.
